AuthorHouse. Paperback. Condition: New. 108 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. DECEPTION This book written by a retired police officer is a fact-loaded tableau exposing how government officials, preachers, and media people deceive us, the American people. Not only do we need to return to a government by the people democracy. We need to change our foreign policies, and expose the corruption involved. Protect our constitution by making sure checks and balances are in place. Also preserving separation of Church and State, protecting right of religion or no religion, and that our laws are passed by values other than by religious belief. Freedom of speech, and press is seemingly being controlled by conglomerates, thus editing becomes censorship, and special interest rhetoric and agendas are pushed at us. We are getting more bias reporting, rather than the facts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
