

Leadership Studies in Healthcare

By Marie Farrell, Maureen E Gormley, Beth Smith Houskamp

Createspace, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This monograph explores some of the challenges of healthcare leadership in a time of ongoing reorganization and consolidation in the healthcare industry and the transformative changes in the wake of government-mandated health insurance. Dr. Paula Rowland addresses hospital safety, a perennial concern, in her analysis of patient safety discourses in a Canadian hospital. She argues that, whereas traditionally patient safety has been seen at the intersection between complicated systems and fallible human agents, it might be reframed as a multi-dimensional issue drawing from sociological and organizational studies. Dr. Cheryl Nance presents an approach to changing an organized delivery system s culture. She examines the impact of a year-long intervention program among hospital leadership, using Action Learning, to manage the cultural transformation involved with opening of a new facility while remaining financially viable. Her research identifies significant differences among leaders across all departments in current and preferred culture types, and relates them to the factors deemed essential to the success of the system s change. Dr. Ellen Raboin s research focuses on the phenomena of collaborative practice within a...
