## ANIMAL TALKING TALES: WITH THE ANIMAL PSYCHIC (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Jackie Weaver celebrated having been given the all clear this year after being diagnosed with what should have been terminal cancer back in 2005. Once again she has achieved yet more outstanding results and helped change the lives of not just the animals but their owners too. This book takes you further into her journey which is guaranteed to take you on an emotional ride with her stories using animal communication to bring about incredible transformations. Some will surely tug at your heart-strings and others bring laughter to your lips. Whatever they do - they will leave you in no doubt that Jackie can, and does, talk to the animals and is out there making a difference for the animal kingdom. Through her celebrity pet talking work, she is trying to make a difference for the animal kingdom by sharing their animal communication stories to help show that there is far more to animals than most people realise. Foreword: If you have opened this book and are reading this, then you are either a believer or curious and therefore open to...
