

Pathways to Stillness: Removing the Layers of Illusion (Paperback)

By Bob Norton

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Many people spend their lives in a state of unconsciousness suffering from excessive and invasive random thoughts that assail and clutter the mind. Such is the persuasive nature of this clutter that many of us take our thinking to be who we really are. As we grow, we lose sight of who we might really be as we unconsciously absorb and adopt the rituals and dictates of finding our place in conventional society. Our background, education and work shape and mould us into soldiers of the status quo, a wholly man-made construct which obligates all participants to accept its agendas, its behaviours and its truths. In many life experiences we find that our instinct rails against so many of society's falsehoods imposed, nonetheless as they are, as the only way to be. We then find ourselves adopting roles in order to cope and become forever busy keeping up with the pace of life in all its pretence and illusion. Pathways to Stillness seeks to identify and peel back these layers of illusion in order to be able to...

Reviews

It is a single of my favorite publication. I have read and so I am sure that I will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be the best pdf for possibly.

This pdf is definitely worth getting. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
