Recent research has revealed that the electro-magnetic waves emitted from the heart are sixty times more powerful than brain waves. Furthermore these waves can be measured ten feet from the body, and are instantly received and registered by those around you. When you feel good about yourself, when you appreciate who you are, people are attracted to you. With subliminal brain wave technology, your mind relaxes into heightened states of receptivity where messages of deep self-appreciation are effortlessly absorbed. As your heart opens to exude more personal joy, your inner magnetism expands to attract the love you desire. This Brain Wave Subliminal activates the power of your subconscious because it incorporates brain wave frequencies that induce states of hyper-receptivity to subliminal messages. Here, a new set of self-empowering beliefs are firmly imprinted in the unconscious. You'll notice a remarkable change in attitude and self talk that dramatically increases your personal magnetism. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Audio CD.
