

Britten's Century: Celebrating 100 Years of Benjamin Britten

By Bostridge, Mark, Editor. Kenyon, Nicholas, Introduction by.

Bloomsbury. 1 Cloth(s), 2013. hard. Book Condition: New. In the nearly four decades since Benjamin Britten's death, appreciation for his music—particularly the opera *Peter Grimes* and the masterful *War Requiem*—has only grown, even as his personal life has been under increasing scrutiny. Consulting both friends of the composer and authorities on his music, this anthology of essays offers discussions of Britten's lifelong homosexuality and how it has been portrayed in biographies, as well providing accounts of his productive friendships with W.H. Auden and Christopher Isherwood. Here too are reminiscences by some of the musicians associated with Britten, including Stephen Hough, Roger Vignoles, Janet Baker, and Ian Bostridge. 183.

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

-- Mrs. Ellie Yost II

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me).
