How do I really know how to live? Is the life of Jesus really pertinent today? Jesus The Pattern Son is the book for you! In a day and time when What would Jesus do? is up against political correctness, Jesus The Pattern Son shows us that Jesus Christ is still the universal example we should follow. Come and go with us as we walk through scripture that outlines the way we are to pattern ourselves after the life of Jesus and how we should use the structure of the early church as a guide for our modern day churches and leadership. May you be blessed and inspired to pattern your life after our Lord and Savior Jesus Christ! In 1974, Harry received Jesus in a dramatic way. Two weeks later he realized he was healed of epilepsy and asthma and for three years he stayed in the Word of God and prayer. Compelled to share what had come to be life to him, Harry spent his time on the streets of Nashville telling everyone he met about Jesus Christ. He became known in the area for using the phrase Jesus said! Through the Word and prayer, God revealed to Harry that he was to examine the life of Jesus and pattern his life after Jesus Christ. The Lord used revelation of Jesus life as a pattern to build a strong foundation in Harry and his prayer is that his life would likewise be a pattern for the lives of others.
