

Is the Mode Christian Baptism: Prescribed in the New Testament? (Classic Reprint)

Filesize: 2.86 MB

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Morris Cruickshank)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from *Is the Mode Christian Baptism: Prescribed in the New Testament?* If the question is asked - and it will be, many scores of times - Why have the Baptists republished Prof. Stuart's work on Baptism? we answer: - As a work of authority upon the subject of the primitive action of baptism, and the Scriptural warrant for infant baptism. Prof. Stuart was in his day the brightest luminary in the constellation of Pedobaptist scholars. He was the bright particular star of Andover, and shed over that seminary a halo of intellectual light. The charm of his name, his reputation for profound and varied scholarship, on both sides of the water, attracted students from the remotest sections of our Union, and for nearly half a century, with his students, as with Pedobaptists, appeals to his authority have been considered ultimate. It was not strange, then, that, during the whole period of his established scholarship, he should be frequently consulted with respect to the classical import and use of the terms bapto and baptizo and the Scriptural warrant for infant baptism, about which the Christian world was so much divided and, in his day, so violently agitated. To answer all these interrogatories at once and finally, to put upon record for an inquiring age, and to leave his testimony behind him for all time to come, influenced him to prepare the following treatise. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections...
