You awaken from a deep sleep to find yourself in a dimly lit room. A large gathering of friends hover uneasily around you. A young man slouches against the wall picking at a hangnail. An older woman s eyes glisten as she peers longingly at your face. She is your favorite aunt and, as you look up, you take note of an embarrassing drip leaving her nose. As a younger cousin stares at your face you wonder if she can sense your eyes behind their curtains. The hospital room slowly comes back to me as I open my eyes...
