Shambhala Publications Inc, United States, 2013. Paperback. Condition: New. New. Language: English . Brand New Book. Dzogchen (Great Perfection) goes to the heart of our experience by investigating the relationship between mind and world and uncovering the great secret of mind's luminous nature. Weaving in personal stories and everyday examples, Pema Rigtsal leads the reader to see that all phenomena are the spontaneous display of mind, a magical illusion, and yet there is something shining in the midst of experience that is naturally pure and spacious. Not recognizing this natural great perfection is the root cause of suffering and self-centered clinging. After introducing us to this liberating view, Pema Rigtsal explains how it is stabilized and sustained in effortless meditation: without modifying anything, whatever thoughts of happiness or sorrow arise simply dissolve by themselves into the spaciousness of pure presence. The book is divided into chapters on the view, meditation as the path, conduct, the attainment, and the four bardos. Each chapter consists of mini-sections that can be read as stand-alone Dharma talks. Pema Rigtsal has studied and lived with several authentic Dzogchen masters and has surprising stories to tell about their unconventional methods to introduce students to the subtle view of Dzogchen.
