This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE NEW MARKET WIZARDS: CONVERSATIONS WITH AMERICAS TOP TRADERS

Marketplace Books. Hardcover. Condition: New. 616 pages. Dimensions: 8.9in. x 6.3in. x 1.7in. Taps into the minds of today's trading superstars to reveal the secrets of their astonishing success. In these absorbing interviews with star performers in the financial markets, Schwager humanizes the mechanics and psychology behind the trading world in such sophisticated instruments as currencies, stock options, commodity futures, and mutual-fund accounts by individuals, investment firms and group-trading computerized money machines. One trader focuses on market response to news events, another calculates mathematical probabilities--one even cocks an ear to the noise level on the exchange floor. All rank assiduous research, self-confidence, a specific plan and the courage to cut losses among essentials to success. You may not know their names, but they are the trading elite: a select group of super-money makers whose trading prowess has become the stuff of legend. They are speculators in everything from stocks and bonds to options and commodity futures who make millionsoften in a matter of hours and leave their peers in the dust. In this enthralling sequel to his international bestseller, *Market Wizards*, Jack Schwager interviews these stars, asking the questions that everyone with an interest in the financial markets would love to know the answers to and receiving the kind of frank, occasionally bewildering answers that make this book as much a page-turner as its predecessor. Interviews with spectacular winners across the full spectrum of financial markets, revealing how they do it and what, personally, separates them from the herd. Superstar traders describe the financial strategies behind their phenomenal successes, as...
