Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I am conscious of a certain audacity in thus attempting to give a further life of Cicero which I feel I may probably fail in justifying by any new information; and on this account the enterprise, though it has been long considered, has been postponed, so that it may be left for those who come after me to burn or publish, as they may think proper; or, should it appear during my life, I may have become callous, through age, to criticism. The project of my work was anterior to the life by Mr. Forsyth, and was first suggested to me as I was reviewing the earlier volumes of Dean Merivale s History of the Romans under the Empire. In an article on the Dean s work, prepared for one of the magazines of the day, I inserted an apology for the character of Cicero, which was found to be too long as an episode, and was discarded by me, not without regret. From that time the subject has grown in my estimation till it has reached its present dimensions.
