

## Whisper of the Seventh Thunder

By Larry Brooks

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Whisper of the Seventh Thunder is a thriller ripped from today's headlines with roots into what many believe might be the coming apocalypse. When Gabriel Stone's devout wife dies in an unlikely airline disaster, he finishes the novel she had warned him not to write. The book goes inside and behind the Bible's Book of Revelation to reveal startling connections to covert operations that are, quite unknown to Stone, about to tear the world's political landscape to shreds. As the book nears publication Stone suddenly finds himself the pawn in a war between superpowers and supernatural forces, each with hidden agendas beyond his comprehension and stakes that pivot on his ability to accept the unbelievable and stop the unthinkable. Whisper of the Seventh Thunder is a book that is as personal as it is global in scope, juxtaposing choices that are at once spiritual and life-dependent, with nothing short of our very souls hanging in the balance. Winner of the 2010 Next Generation Indie Book Award for best novel in the Suspense/Thriller category.
