Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Much the same as any child with an emergent consciousness takes years to develop, it would take me years to develop my sense of self. I had no way to know what I didn't know.
