SMALL-SCALE INDUSTRIES IN INDIA

New Century Publications, New Delhi, 2011. Hardcover. Book Condition: New. First. 14 cms. 184pp. Small-scale Industries are considered a harbinger of economic progress and have stemmed and grown out of India?s own skills, resources, enterprise and culture. This sector is believed to be an elixir for all the ills of a developing economy like India. A growing economy always needs the presence of small enterprises. In a labour abundant and capital scarce country like India, small-scale industries have come to...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.
