Reviews

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

TRIGGERS: CREATING BEHAVIOR THAT LASTS--BECOMING THE PERSON YOU WANT TO BE

Random House LCC US, 2016. Paperback. Book Condition: New. 211 x 141 mm. Language: English . Brand New Book. In his powerful new book, bestselling author and world-renowned executive coach Marshall Goldsmith examines the environmental and psychological triggers that can derail us at work and in life. Do you ever find that you are not the patient, compassionate problem solver you believe yourself to be? Are you surprised at how irritated or flustered the normally unflappable you becomes in the presence of a specific colleague at work? Have you ever felt your temper accelerate from zero to sixty when another driver cuts you off in traffic? As Marshall Goldsmith points out, our reactions don't occur in a vacuum. They are usually the result of unappreciated triggers in our environment—the people and situations that lure us into behaving in a manner diametrically opposed to the colleague, partner, parent, or friend we imagine ourselves to be. These triggers are constant and relentless and omnipresent. The smell of bacon wafts up from the kitchen, and we forget our doctor's advice on lowering our cholesterol. Our phone chirps, and we glance instinctively at the glaring screen instead of looking into the eyes of the person we are with. So often the environment seems to be outside our control. Even if that is true, as Goldsmith points out, we have a choice in how we respond. In Triggers, his most powerful and insightful book yet, Goldsmith shows how we can overcome the trigger points in our lives, and enact meaningful and lasting change. Change, no matter how urgent and clear the need, is hard. Knowing what to do does not ensure that we will actually do it. We are superior planners, says Goldsmith, but become inferior doers as our environment exerts its influence through the...
