Brand New Book ***** Print on Demand *****.Sarah The Caterpillar Integrated Reading Program Sarah The Caterpillar is an integrated learn to read program for children at the grade one level, easily used by parent, teacher and child. The program is composed of 40 stories and 40 lessons divided into four volumes of ten lessons each, with a total of a 250 words and derived words vocabulary. A principle feature of the program is that the vocabulary in the Reading Book is limited to only those words that appear in a particular story and any preceding stories. The program integration is seen in that the vocabulary appearing in the Reading Book stories is the same as that used in the Workbook exercises. Progress is built on sight recognition, repetition and predictable sentences in the Reading Book stories, and then phonemic recognition learned in the matching Workbook exercises, which are based on the same vocabulary as seen in the Reading Book. The Reading Book stories and Workbook lessons are designed to be short, simple and direct so as to promote success keeping in mind a...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- Prof. Murl Shanahan DDS

This book is definitely not effortless to begin on reading through but extremely fun to read. Sure, it can be enjoyed, continue to an amazing and interesting literature. I realized this book from my dad and I recommended this pdf to understand.
