Christmas Summary Classics This series contains summary of Classic books such as Emma, Arne, Arabian Nights, Pride and prejudice, Tower of London, Wealth of Nations etc. Each book is specially crafted after reading complete book in less than 30 pages. One who wants to get joy of book reading especially in very less time can go for it. About The Book Northanger Abbey was written in 1798, revised for the press in 1803, and sold in the same year for 10 to a Bath bookseller, who held it in such light esteem that, after allowing it to remain for many years on his shelves, he was content to sell it back to the novelists brother, Henry Austen, for the exact sum which he had paid for it at the beginning, not knowing that the writer was already the author of four popular novels. This story--which is, of course, a skit on the terror novel of Mrs. Radcliffes school--was not published till after its authors death, when, in 1818, it was bound up with her last book, Persuasion.
