## CHINESE: READING THE PAST

[DOWNLOAD](#)

British Museum Press, 2000 9780714180793, 2000. Soft cover. Condition: New. NEW paperback.80 pages. A slim volume but packed with information. The book, according to the blurb "demystifies one of the world's oldest writing systems, introducing the basic principles of the language, the formation of written characters and the ways these characters have developed. Using numerous examples of archaeological and other forms of evidence drawn from artefacts in the British Museum and elsewhere, the author describes chronologically several of the major scripts used to write on each material, from the earliest oracle bones to calligraphic works of art".
