Brand New Book ***** Print on Demand *****.Are you interested in being an active participant in your life? Overcoming challenge is a vital part of the human experience and little provides more happiness than overcoming challenges to our health. Are you interested in adopting habits associated with weight control and longevity? Do you want to avoid or minimize diets, medications, and the drugs you will need to fix the side effects from your medications? If so, this book is for you. You Only Weigh 10-pounds on the Moon begins with establishing and understanding your goals. You will be guided through lifestyle modification that is key to both longevity and weight loss. The seven steps will promote slow do-able permanent change, and contribute to fitness, being functional, and ultimately, to longevity. As you achieve your goals and change your lifestyle you will also reduce your body fat and lose weight. This book is ideal if you are looking for a conservative approach to living well and straight talk concerning diet, weight, and longevity. The topics covered will allow you to develop a direct approach to healthy...

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
