Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Preface. WE have long wished that some English or foreign university would offer a prize for a history of Magic and Witchcraft. The records of human opinion would contain few chapters more instructive than one which should deal competently with the Black Art. For gross and painful as the details of superstition may be, yet superstition, by its very etymology, implies a dogma or a system of practice standing upon some basis of fact or truth: and however vain or noxious the superstructure may be, the foundation of it is in some way connected with those deep verities upon which rest also the roots of philosophy and religion. For a grand error, and such alone can at any time essentially affect the opinions of mankind in general, is ever the imitation or caricature of some grand truth. From one soil spring originally the tree which yields good fruit and the plant which distils deadly poison. The very discernment of the causes of error is a step towards the discovery of its opposite. The bewilderments of the mind of man, when fully analyzed, afford a clue to the course of its movements from the right track, or at least enable us to detect the point at which began the original separation between Truth and Error. Alchemy led, by no very circuitous route, to the science of chemistry; the adoption of false gods by the majority of the human race rendered necessary the dispensations of the Jewish and Christian schemes; and the corruption of true reverence for the Good, the Beautiful, and the Holy, was the parent of those arts, which, under the several appellations...
