Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A fascinating guide to some unique Scots words - a vital companion for anyone interested in Scottish culture or Scotland's people and language. Rather than a dictionary, this is a light-hearted, essay-style look at some personal favourite Scots words. It is written by one of Scotland's leading lexicographers, Betty Kirkpatrick, who has also edited Roget's Thesaurus, the Oxford Paperback Thesaurus and Chambers Twentieth Century Dictionary. The various articles include the modern meaning of a particular Scots word and often some historical ones. They frequently include example phrases or sentences showing the word in use - as well as guides to pronunciation. The book offers a taste of Scots which is very likely to whet your appetite for more.
