

## The New Spymasters - Inside Espionage from the Cold War to Global Terror.

By Grey, Stephen

Penguin / Viking, Stroud, Gloucestershire, United Kingdom, 2015. Hardcover. Condition: New. Dust Jacket Condition: New. First Edition. 349 pages, b&w images, full colour photographs, notes, glossary. In this era of email intercepts and drone strikes, many believe that the spy is dead. They couldn't be more wrong. The need for human intelligence to gather secret information has never been more acute. Whilst techniques and technologies have evolved, the old motivations for betrayal - patriotism, greed, revenge and compromise - have endured. In this enthralling history of modern espionage, Stephen Grey takes us from the CIA's Cold War legends to the agents who betrayed the IRA, to Edward Snowden, Morten Storm and the most secretive double agents at work today.

### Reviews

*A new electronic book with an all new standpoint. It usually fails to charge too much. Its been printed in an exceedingly basic way in fact it is simply following i finished reading this book through which basically altered me, affect the way in my opinion.*

-- **Dr. Amie Bogisich**

*Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.*

-- **Lelia Heidenreich**
