It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and i encouraged this pdf to understand.

White Tree Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Not sure how the Bible fits together? Abraham and Moses? The Exodus and the Exile? Confused over kings and prophets? Old Testament, New Testament? We ll start at zero, and assume nothing. We re running through the Bible in only 42 pages, and we won t be travelling alone. There s a red cord running with us, starting in Genesis where we begin our journey, through to Revelation at the end. The red cord binds the Bible together. It s God s rescue plan for the people he created, giving us a way out of the mess we ve made of our lives through the freewill he has given us. A friend who had just finished reading the whole Old Testament for the first time, told me, It was written with God s tears. Indeed it was. And my friend could have added, The New Testament was written with blood - the blood of Jesus.
