Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Reviews I wanted to start an internet business, but I didn't know anything about computers, the internet, or business. I am sooo glad I found this book! I can't wait to graduate to the next step . . . Internet Success for Beginning Entrepreneurs. - Jason Blackwell, Recovering Techno-phobe A true guide for real beginners, techno-phobes and techno-dummies, who want to begin an internet business . . . but haven't got a clue where or how to begin. This book - the first in Kay's series of books on creating a successful internet business - introduces you to some very basic internet business possibilities . . . and walks you through exactly what you need to do to set them up, showing you the simplest, easiest, and most inexpensive (in some cases, even free) ways to do this. It even gives you websites, phone numbers and contact information for all the online resources you will need to do this. How great is that?! So what are you waiting for? Get started now, setting up your own successful internet business. You can do it. This book shows you how.
