EPA GUIDANCE: IMPROVING AIR QUALITY THROUGH LAND USE ACTIVITIES (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Recently states and local communities have passed hundreds of ballot initiatives preserving open space, increasing development around transit, and providing for increased brownfield redevelopment. Each of these places has had different reasons--economic, environmental or community goals--for pursuing a chosen development path. Environmentally, these decisions can help communities reduce vehicular emissions, improve water quality, and remediate contaminated lands. States and communities are interested...
