So what we are finding is our equipment is being worn out in those harsh conditions, and the extreme usage of that forward deployed, our home station readiness is, as I said in my statement, is suffering. We are running roughly about 60 percent of the supply readiness - in other words 60 percent at home of what we should we have. That that is home is in good shape, but there is just less of it to spread around for training and less of it to go to another contingency. So that pressurizes what we call our procurement accounts - in other words the ability for the procurement side of the Marine Corps to say, okay, we need to modernize. Let us invest into this. That pot of money is decreasing remarkably, and so we have less discretion to be able to buy those kinds of things to modernize the..

Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

-- Prof. Jean Dare

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
