Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An imperative need has arisen to provide a Constructive push to the Honourable President George Bush (2001 to 2009). This to consider that Tangible wealth and Intangible feelings together go to format the fraternity of Freedom. American population, Corporate units, Expatriates and all nations with their currency related to US \$, are not happy in the current Dollar dipping situation. Is the development trend of USA is going down ? No, as guided by the trend of Gross Domestic Product (GDP), and Yes as guided by the Net of Exports and imports. The net is an import, because of low value for US exports and high value for US imports, due to the gain of Euro over the Dollar. On the other hand, the currencies of poor nations (developing / under-developed), are galloping upward in Dollar parity, just only because they are linked to Euro, without any domestic productive contribution or economic growth activities. The answer to this situation is reflected in the US Socio-economic scenario. This is in the USA s approach and uncontrollable administrative attachment and an appetite to control other nations in the world, through an unilateral Army power. Also motivating UN (A Peace keeper through Force and Army power) to offer sanctions and threats to developing and Undeveloped nations, biased towards USA; Prompting the poor nations to tie up their domestic products towards USA; and Pumping wealth from developed nations into poor nations, leading their current and future generations into a long-term debt / slave situation; are a few acts which has lead to the current Dollar dip. Preparing a Notional Balance sheet of USA, with imaginary figures, compels a need to post a Loss to the Assets...
