

Sounds Tough! Big Noisy Machines

By Kevin Somers

Duo Press LLC. Board book. Book Condition: new. BRAND NEW, Sounds Tough! Big Noisy Machines, Kevin Somers, A train goes "chooo, chooo," a tug boat honks, and a cement mixer goes "sloooosh!"--machines make the craziest sounds, and children will love to imitate them in this seriously wacky board book. Combining a cause-and-effect scenario with some of the most appealing elements of comic books and pop art--such as simple panels and intense primary colors--this giggle-inducing read teaches an important element of language development in a fun and appealing way.

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Camille Larson**

Without doubt, this is actually the very best function by any article writer. It was written quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
