

Soup Sandwich Survival: (Advanced Survival Techniques) (Paperback)

By Donny Boy Franko

Outskirts Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Soup Sandwich Survival Severe, life-threatening conditions, both natural and man-made, can strike at any time, and we can't rely on emergency management services and government aid. We must be prepared to save ourselves, and help our family and neighbors, till support arrives. Donny Boy Franko's training guide Soup Sandwich Survival is for people new to survival skills and those who consider themselves experienced preppers. It covers what to do in both short-term situations, such as camping and hiking trips gone awry and periods of civil unrest, and long-term upheavals, such as those caused by earthquakes, hurricanes, nuclear events, and even war. Drawing on experience as a highly trained combat veteran and military advisor, Franko outlines how to prepare for compromises in food, transportation, heat/air, and equipment and communications--and how to recover if you weren't prepared. Sandwich Survival replaces fear with confidence in knowing that you can save and provide for yourself and your loved ones in any disaster.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
