## **AUGUSTUS AND THE CREATION OF THE ROMAN EMPIRE: A BRIEF HISTORY WITH DOCUMENTS (PAPERBACK)**

[DOWNLOAD PDF](#)

BEDFORD BOOKS, 2005. Paperback. Condition: New. Language: English . Brand New Book. During his long reign of near-absolute power, Caesar Augustus established the Pax Romana, which gave Rome two hundred years of peace and social stability, and established an empire that would endure for five centuries and transform the history of Europe and the Mediterranean. Ronald Mellor offers a collection of primary sources featuring multiple viewpoints of the rise, achievements, and legacy of Augustus and his empire. His cogent introduction to the history of the Age of Augustus encourages students to examine such subjects as the military in war and peacetime, the social and cultural context of political change, the reform of administration, and the personality of the emperor himself. Document headnotes, a list of contemporary literary sources, a glossary of Greek and Latin terms, a chronology, questions for consideration, and a selected bibliography offer additional pedagogical support.
