Brand New Book ***** Print on Demand *****.Sometimes the world faces a problem so great that it calls on special people, often called heroes, to come to the rescue in times of need. A new breed of young heroes called the H-TEAM has answered the call to help children leverage their strengths and protect the world from destructive forces. The first issue details the events that transpire when a powerful alien arrives on Earth and disrupts the planet's natural balance through the creation of a team of super-beings, and what results when her equally-powerful twin brother creates a team of young superheroes to counter this new threat. The members of the H-Team are courageous, powerful, and able to overcome any obstacle while doing great deeds at the same time. At Health Heroes Comics, we believe that every child can become a superhero by learning how to achieve optimal health and helping other kids do the same.
