MIND TRACE (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What would you do to possess unlimited knowledge and power? Nineteen year-old Alice McArthur never had a choice. A shy girl from a small town, Alice has gained a reputation for her near-genius programming abilities, even getting the attention of EngineerCorp, a rising electronics empire. With her unique skill-set, she is hand-picked to test their network security by hacking into their global mainframe. But something goes terribly wrong. The next thing Alice knows, she wakes up on the floor with a migraine, unnatural powers, a server s worth of data in her head and the realization that this job was not what it seemed. Now a fugitive from justice and on the run from the evil leader of a corporate empire, Alice doesn t know who to trust or where to turn. She must find a way to secure her freedom and stop those who would keep her prisoner for life -- or worse.
